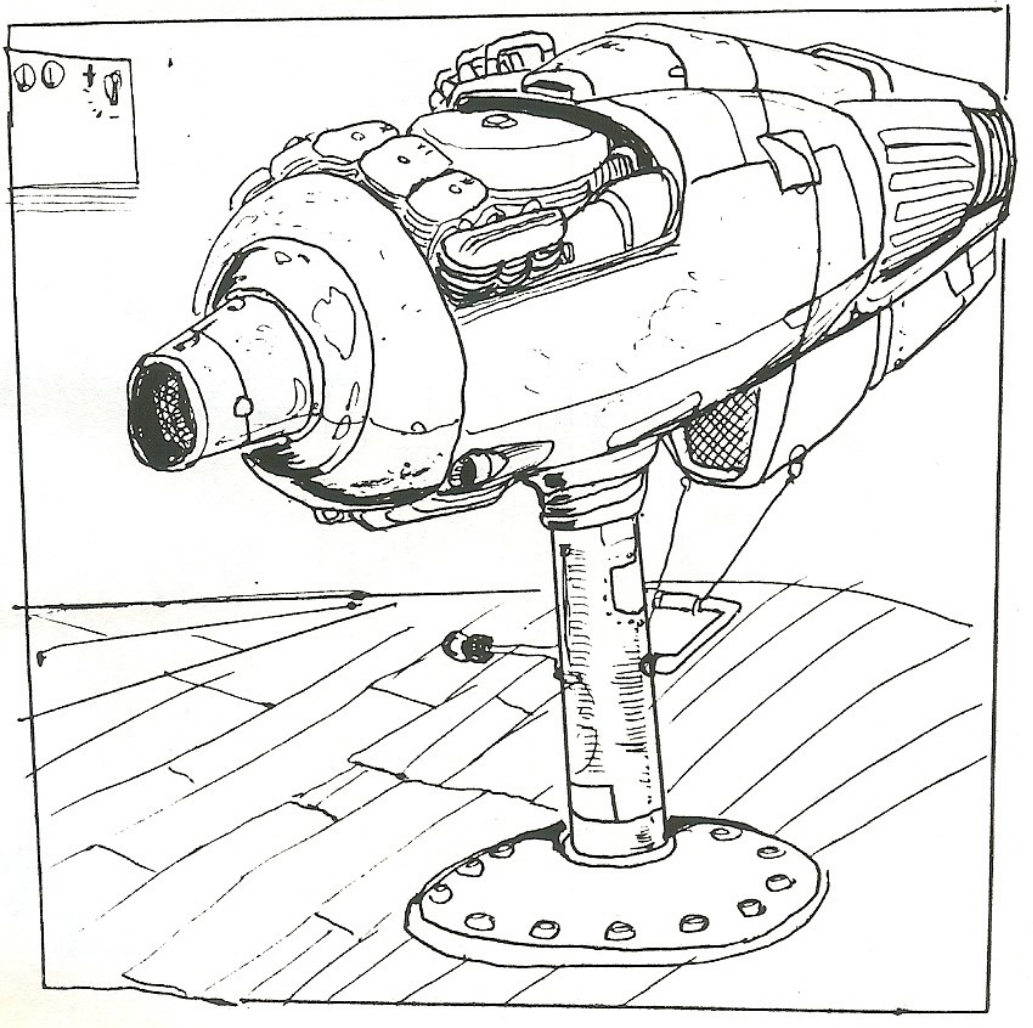
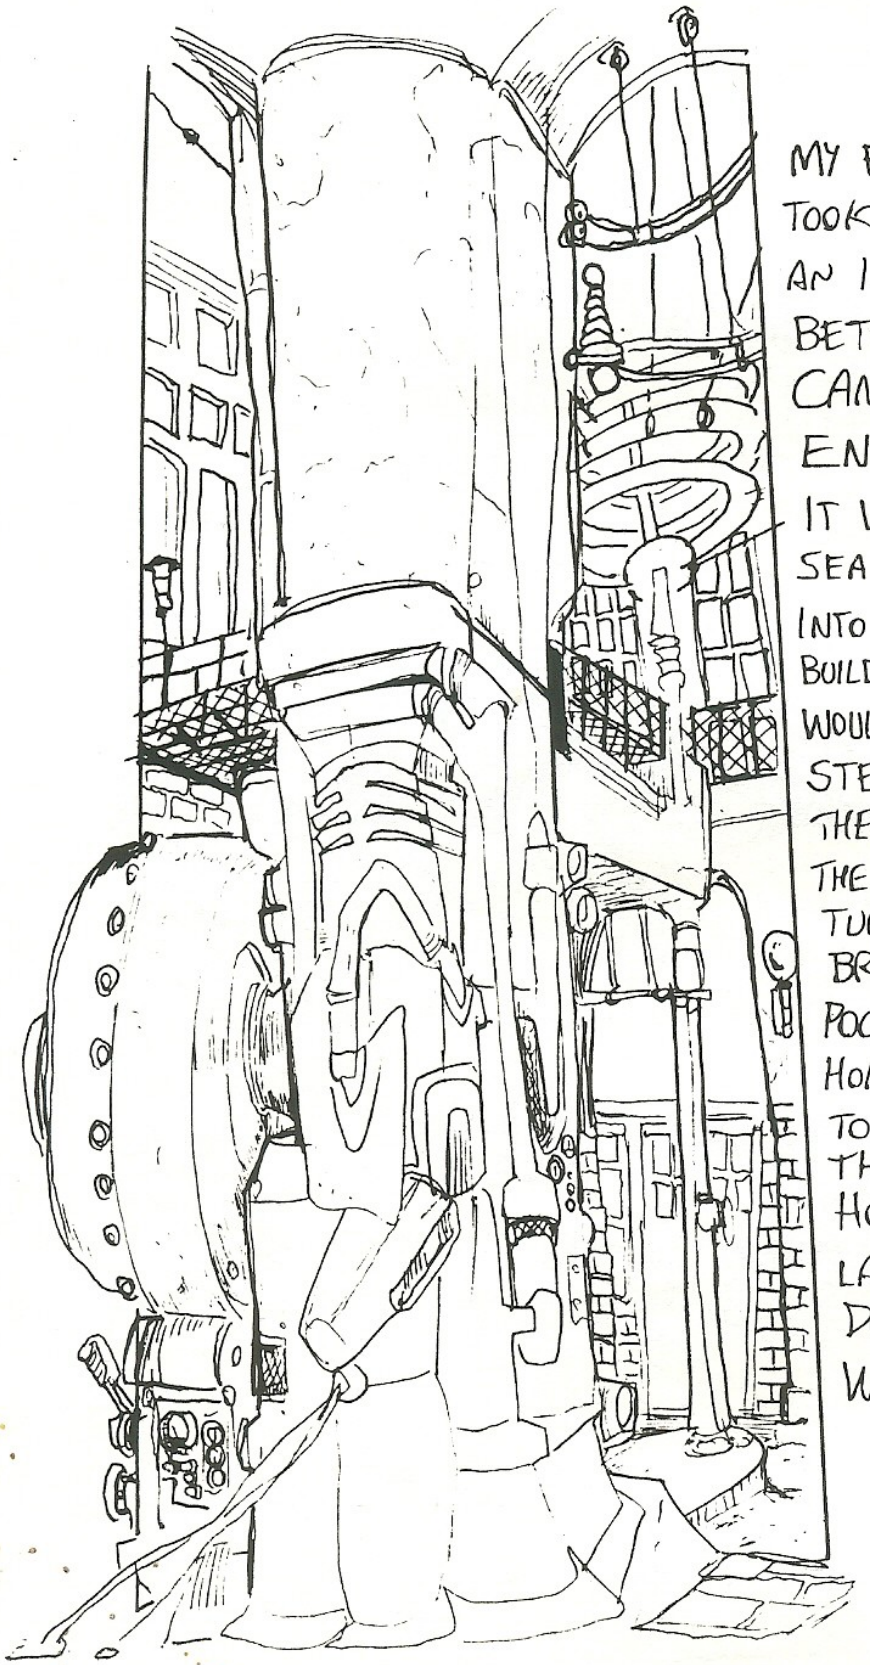
STEAM DREAM

LAST MONTH (APRIL '96) I HAD A DREAM THAT I WAS A PHOTOGRAPHER FOR A HISTORICAL TECHNOLOGY MAGAZINE...

MY FIRST SUBJECT I FOUND IN MY UPSTAIRS BATHROOM (BEHIND A SMALL DOOR BEHIND THE TOILET) IT SMELLED LIKE MINT & PEAKOE TEA, AND COOL (60°) MIST THAT GLOWED CAME FROM THE BLUE-GREEN GEL, THAT THE MACHINE PUMPED THROUGH THE HOUSE.

MY SECOND SUBJECT WAS IN A GRANITE TOWER 5 BLOCKS FROM MY HOUSE.. IT WAS A FAILED JET ENGINE PROTO-TYPE, BUT IT SERVED AS A HEATER/AIR CONDITIONER FOR A SMALL SCHOOL AND SOME OLD FOLK'S HOUSES IT WAS PAINTED ORANGE AND SMELLED LIKE TANGERINES





MY FINAL SUBJECT TOOK ME TO AN ISLAND BETWEEN CANADA AND ENGLAND

IT WOULD PUMP SEA WATER INTO A BLUE BRICK BUILDING THAT WOULD RELEASE (PURE H_2O STEAM INTO THE CLOUDS

THE SALT WAS TURNED INTO BRICKS FOR POOR AND HOMLESS PEOPLE TO BUILD THEIR OWN HOUSES.

LATER IN THE DREAM I WOKE UP.
